- Members in good standing annually complete their assigned service, carry no outstanding dues or other fees to SALT and
- You should expect to be proactive! There is a lot to choose from and nobody can participate in everything SALT offers. Participation in any activity or event offered is optional. However, you are encouraged to participate as much as possible so you connect directly and regularly with others and gain the support you need in your homeschool.
- SALT functions in a cooperative manner. We all do a part so that the greater group is served. See Service info below for specifics.

SALT SERVICE INFORMATION

- Every SALT member is required to serve the group in some capacity. There is a list of available services in the application. Choose 3 possible service areas from the list. You may be asked to serve in more than one area depending on the type of assignment or time involved to complete.
- Members are contacted by E-mail within 45 days of receiving an application. Due to SALT's expansion, unfortunately, impossible to call every member individually to follow up to see if the message was received. It's your responsibility to follow up with the SALT board if you do not receive an assignment email.
- The Board assigns service areas based on your application. Most members who join in May, June or July are given their first choice. If you join after August, their may be limited service areas available. The board can only assume that you have made selections based on what you are interested in doing or learning to do. Do not pick something you are unwilling to do or that will occur when you are not available. Contact a board member at the address above if you have questions about the requirements for a particular service.
- You will be eligible for membership renewal annually if your service requirements have been satisfied during the membership year.
- Nonparticipation in SALT meetings, activities, etc. will not relieve a member from the service requirement.
- Failure to complete the service assignment will result in a renewal penalty fee of \$40 or denial of SALT membership the following year. This renewal penalty fee is offered to members one-time. Uncompleted service for a second time will result in denial of future membership renewals as this situation creates undue burden on the leadership and members at large. When assessed a fee, you are considered a probationary member that year and are ineligible for some member benefits that require "membership in good standing", including but not limited to Graduation.
- Personal situations that make your service obligation unusually difficult to complete should be communicated to a board member when the situation arises. Timely contact with SALT board is crucial if you are unable to fulfill your commitment to complete a service. Exemptions from service is evaluated on case by case basis.

A requirement of association of membership is adherence to the following:

- We believe the Bible to be the inspired, the infallible, authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His Miracles, in His vicarious and atoning death through His shed blood, in His bodily Resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that for salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential and that this salvation is received through faith in Jesus Christ as Savior and Lord.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life and to perform good works.
- We believe in the resurrection of both the saved and the lost, they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of Believers in our Lord Jesus Christ.

"That in all things Jesus Christ might have preeminence." Col. 1:18

Requirements for those interested in leadership roles in the future:

Exceptions to the following would be reviewed by the current SALT board:

- Must adhere to the statement of faith and comply with Deuteronomy 1:13.
- Must be active participants of the Association with 50% of yearly meetings attended. We keep attendance for the purpose of knowing who will be eligible for the following year board elections. Meeting attendance is important for everyone but especially those who would like to serve on the board.
- Must have been a member of SALT at least 2 years for the Counseling Board

Serving SALT is essential for the administration of activities and overall group success. We all share in the responsibilities so no one is unnecessarily burdened. Please only select services you are certain you can fulfill. When you do not fulfill your obligations, it burdens the Board serving you, it is disappointing for SALT members and their children who look forward to the activities and it places your membership benefits in jeopardy. If you need a description of any service, please contact the board at: Board_members_only_Salt-owner@yahoo.com

Please indicate **three (3) services** you would be willing to do, ranking them with one (1) for your first choice. If you don't see a service listed that you would like to provide, you may write it in the space provided for consideration by the board.
